Off	■	Undetected tag

Technical specifications

Dimensions: 230 mm x 300 mm x 110 mm

Weight:	800g
Material:	ABS
IP protection:	IP 54
Detection Range:	Regulable 25cm
Alimentation:	230VAC
Consumption:	500mA
Radiated Power	0dBm (1mW)
T ^a Operating	-10°C to +60°C
Indicator light:	Flash led
Indicator acoustic:	buzzer
Response time:	200ms

This equipment may only be opened by qualified personnel. Handling or opening by unauthorized personnel may result in loss of warranty. The successful and good performance of this team says has been transported, stored.
